

# Memo

Date: October 21, 2008  
To: Parents & Guardians  
From: SES Student Government Students  
& Cynthia Metzger, Parent  
Subject: Information & Request for Help

The Student Government class just successfully carried out their first event—an afterschool “Rock Band” competition, and they are busy making plans for many upcoming SES events. While the plans are definitely the students’ ideas, there are instances when the students and their teacher advisor, Mr. Roach, could use the help of parents and other SES community members.

Our goal is try to get the student’s family members—along with our PTSA member—to volunteer when they can. Please take a moment to look at the needs for some upcoming SES events. If you can donate items or volunteer to help, please contact Mr. Roach or me at [chenning@cde.ca.gov](mailto:chenning@cde.ca.gov) or 319-0413.
