

LEARNING WHILE LAUGHING!

“GAMES THAT CHALLENGE THE MIND”

This 7 week enrichment session offers your child the opportunity to learn how to play a variety of challenging and award winning games from **MindWare®**. This session will encourage group interaction while learning new activities. The selection includes new and traditional family favorites. Students will not only try new games but will also learn to master family favorites including Chess, Chinese Checkers, and Dominos. Week by week we will discover together how to use logic, patience and cooperation. All of the new, award-winning games from **MindWare®** catalog include many puzzles and building games that are recognized by MENSA. Each session will begin with: **Baker Street Puzzles**

– quick mysteries for a lifetime of learning, designed to enhance reading and logical thinking, **Picture Puzzles** – books that make concentrating and focusing fun. Additional games include: Metaforms, Moneywise Kids, Cooking up Sentences, Logic Links, Quoridor, Flip Four, Block

by Block, Pay Day, Architecto and more. Your child will get the opportunity to play these educational games with new friends while developing strategic thinking and expanding their vocabulary. Every child will WIN. Come join the fun – GAME ON!
