

Dear members: Please join us for the LAST REGULAR MEETING OF 2007-08. The agenda is attached, and it includes our Principal's report on two crucial issues: Budget and Safety, and a Report from the parent Chairperson of the Safety Committee, Molly Cundiff.

Minutes from the last meeting will be circulated in another email.

PTSA members really made the teachers and staff very happy with the wonderful breakfast items donated for the Staff Appreciation Breakfast. Our wonderful treasurer, Janice Selby, coordinated a Mexican breakfast, and thanks to your donations and help serving, it was a fantastic success. Also, many of you made cookies and breads for treat bags, and these were displayed in a beautiful basket with individual servings for teachers to take to their rooms. Janice reports that teachers stopped her in the hall to thank her. It had been a number of years since CKM Staff was given an appreciation breakfast!

Also thanks to the many of you who heeded the call to judge senior projects. Participation of the community was very important to the kids! I know I was really impressed with the kids, and the excellent preparation that the teachers did to get them ready to do their presentations.

See you NEXT WEEK!

CK McClatchy PTSA
