MENTION PH WITH ORDER

President's Corner...

Parents, Families, and Friends,

Welcome to the 2009-2010 school year! I am so excited to serve as your PTA President for one more year! My first order of business is to personally invite you to join the PTA. There are many reasons to join the PTA. Of course, the biggest reason is to show your child that you support their school. A couple of other benefits to PTA membership include making new friends, learning about volunteer opportunities, and being a part of what is happening at our school.

The main focus of our PTA at Phoebe Hearst is to supplement and enhance our student's education. One way we do this is by raising over \$20,000 a year so that we can sustain our amazing Art Program. We also try to raise another \$10,000 or so per year so that we can continue to provide funds to allow each class to take field trips and to provide other funds for classroom enrichment. A secondary focus of the PTA is to provide opportunities for community building. We do this by hosting events, such as the First Day of School Parent Coffee, Harvest Festival, Winter Craft Fair, and Movie Night to name a few. We would not be able to do any of this without your help.

We have started our annual membership drive. PTA membership is \$5.00 per person, \$1.25 of which we get to keep here at the local PTA. The remainder of your membership fee gets distributed to both the State and National PTA. Did you know that you can donate extra money to the PTA when you sign up as a member? We hope that you will consider donating more than the basic membership of \$5.00. Anything extra helps to support our efforts to support our teachers and provide enrichment opportunities for our children, which contributes to the huge success that is Phoebe Hearst! Look for your membership materials in your child's first day packet.

I look forward to working with all of you to make this another great year!
