The purpose of this is to ensure that your name will appear on your diploma as you want it. For example, your complete middle name, not just your initial. Keep in mind that the diploma must be issued in your legal name which is the name on your birth certificate. If you do not turn in an application, your name will be printed on the diploma as it appears on school records. Verifications must be turned in by the Friday prior to winter break to the front/registrar's office.
