- ✓ **Digital photos** should be high resolution photos at least 300dpi in JPG or Tiff format.
- ✓ **Internet photos** should not be used, they are not good quality
- ✓ **Photos will be returned** as soon as possible

Reminders

- ✓ **Space is limited.** Payment must be received by deadline or ASAP to reserve your space.
- ✓ **Write with pencil or pen** on the back of each photo your student's name to ensure that your pictures are returned at the end of the year.
- ✓ **We cannot accept photos** with guns or other weapons or immodest clothing.
- ✓ **Please do not cut, trim, or alter** your pictures before you turn them in. We scan all pictures. If you want to crop out something or someone, attach a Post-it-Note to the back with directions.
- ✓ **We do not recommend self printed** photo images on plain paper and cannot be held responsible for the quality of their reproduction if you submit a photo in this manner.
- ✓ **Message to your student.** Take into account the size of your student's page when writing your message to your child. A large quantity of text on your page will end up being set in very small type which may not be easy to read.
- ✓ **We will correct grammar**, punctuation, and spelling errors. Therefore, if a word needs to be spelled a certain way, make sure we know it.
- ✓ **The High School yearbook staff reserves the right** to change or rearrange any ad which is not appropriate for the yearbook. This includes but is not limited to the exclusion of photos and text.
- ✓ **We will work with your text and pictures** to ensure the best fit.
