**IT'S FINALLY HERE--STAR TESTING!!** It's every student's chance to show their mastery of the State standards. Please help your children to be at their best by setting an early bedtime and making a nourishing breakfast during the testing days (April 20 through May 15). These are good habits for your children to establish for lifelong health and learning.

**WEEKLY PESTICIDE REMINDER.** The District Grass Crew works at Sutterville every Tuesday. If the crew plans to spray pesticides or herbicides, they will post a notice on the front and side doors of the office, 72 hours before spraying. If you have any questions, please call our office at 277-6693.

**SUTTERVILLE IS A SPECIAL PLACE** where students can excel. Of course, our teachers and staff work hard and have high expectations for our students. Another factor in our success is the contributions of parents, grandparents, guardians, aunts and uncles, big brothers and sisters AND our neighbors and local businesses. **WE WANT TO THANK YOU ALL FOR YOUR CONTRIBUTIONS TO OUR SCHOOL'S SUCCESS!**

**SECURITY.** Thefts from cars continue in our neighborhood and at other District schools. **P-l-e-a-s-e** do not leave valuable items in your car visible to thieves!

**There will be no newsletter next week.** Look for the next newsletter on Friday, May 1.
