Good morning Will C. Wood middle School. This is Mr. Porter with the morning announcement followed by the quote of the day.

High Achieving 7th Grade students are making the transition to middle school rather easily. You are walking from class - to - class and being attentive listeners and being effective note takers in class. Keep up the great work.

Reminder: Skateboarders checkin your boards at the student store 8AM - 8:15AM each day.

All, the initial 20 minutes of each class period is protected instructional minutes. This is the crucial period of time when students are receiving direct instruction. It remains vital that all students be in class to receive the benefits of that instruction.

Today and Monday there will be a basketball meeting for boys and girls from 2:30 - 3:15 in the gymnasium. If you are interested in playing basketball for Will C. Wood you should attend these meetings.
